Course Leader:

Stanley Wong Kah Leong

Stanley Wong is a licensed GST agent, chartered accountant, PMP, member of Malaysian Institute of Accountants and HRDF certified trainer. Being a regular speaker on SST, he delivers training on SST mechanism, GST | SST System Changes; focus on SST governance, review and compliance perspective. He attended GST and VAT Training in Singapore and UK. He is the pioneer to bring overseas compliance practice to enlighten local businesses. Some of these overseas practices such as data analytics are critical to verify the compliance level of GST | SST registrants in Malaysia.

T

his program gives the participants the necessary content to understand the latest updates for the SST 2.0 operation. RMCD announced additional scope of SST following Budget 2019. There are many areas not only that SST registered persons must know it but also other than SST registered persons to know it in order to avoid extra cost of compliance and penalty. Typical topics to cover include Lampiran C1-C4 on sales tax exemption and sales tax deduction system. The concept of imported taxable services and SST-02A, SST accounting with case study for sales tax and service tax, new filing and report requirements on SST-02 are the key topics to cover in this workshop.

SST 2.0 has gone live since September 2018 and Budget 2019 announced on November 2, 2018. This brings significant changes to SST 2.0 as the scope is wider and more mechanism to introduce from January 2019 onwards. This workshop will discuss on the amendment on GST-03 as well.
