FULL DAY WEBINAR : SERVICE TAX FOR INFORMATION TECHNOLOGY INDUSTRY

“ Fresh from the launch of the revised Sales & Service Tax (SST) on September 1, 2018 and amendment in Parliament, it is now an opportunity to review its implementation to iron out problems and gain clarity on issues that have been cropped up in Information Technology Industry ”

This program gives the participants the necessary content to understand the current development for the Service Tax operation in Information Technology industry. It is important for service tax registrants to ensure compliance and avoid unnecessary penalties and increased cost of compliance. The RMCD has also issued amendments to the tax regime on Information Technology industry. Gain an understanding of the latest developments affecting the registrants, including service tax exemption, service tax deduction, imported taxable services and group relief applicable for the information technology service tax registrants.
